

## MASH'S WHOLE SMOKED HAM

**Cooking Instructions:** Oven: Remove outer wrapper and packing materials. Wrap ham completely in aluminum foil or in a foil baking bag. Place ham in a shallow roasting pan and put into pre-heated 325°F oven. Cook approximately 18-20 minutes per pound\*.

\*We recommend the use of a meat thermometer to verify finished cooking temperature. Roast until meat thermometer inserted into the thickest portion of ham, not touching the bone, reads 148°F.
